This nutritional information is provided by Biaggi's Ristorante Italiano and is based on values computed by an independent lab based on our standard company recipes. Due to the nature of our freshly-prepared menu items and scratch kitchens, nutritional values may vary slightly from the reported amounts.

Unless otherwise noted, nutritional information provided includes all sauces, condiments and included accompaniments. If you have questions about this information, please contact Biaggi's Corporate Office by calling (309) 664.2148 or via email at [info@biaggis.com](mailto:info@biaggis.com).

2,000 calories a day is used for general nutrition advice, though calorie needs may vary.
