The **Special Event Room** can comfortably accommodate up to 60 guests for a sit down meal and is typically reserved for large parties. The room is particularly well-suited for various celebratory parties such as retirements or anniversaries, wedding rehearsal dinners, baby showers, holiday parties, large family gatherings or pre-wedding luncheons. Plus, the drop-down projector screen and data port for computer connections make it a perfect environment for business luncheons or dinner presentations. With large tables, glass and mahogany wine displays and a stone hearth fireplace, our Special Event Room allows your guests to dine with plenty of room and comfort.

PLANNING YOUR MENU

Biaggi's offers four different styles of dining to meet the needs of your group. Please take a moment to review them and contact our Event Coordinator/Planner or Manager with any questions.

BIAGGI'S BANQUET OPTIONS

The first dining option we offer is the **CLASSIC** (OFF-THE-MENU) approach - a relatively simple style using our lunch and dinner menus. Billing is based on our current menu pricing. Please see our menus for items and prices. Note, there may be a limitation to the number of guests we're able to accommodate with this option; the number of selections available will be based on the size of the group.

The second option for Biaggi's banquet dining is the **INDIVIDUALLY PLATED** approach. This option offers you the ability to create a one-of-a-kind meal, from beginning to end. Our Event Coordinator will help guide you through the planning process of selecting the appropriate courses while keeping your personal preferences in mind.

The third option for Biaggi's banquet dining is the **FAMILY-STYLE** approach. In the Italian spirit of sharing, this format provides your guests with many different platter-sized dishes to pass around the table ... or you may select buffet-style service. This option includes a pre-determined number of appetizers, pizzas, salads, pastas, entrées and desserts with pricing based on the specific choices. A family-style meal offers your guests a more diverse dining experience.

The fourth option, particularly well-suited for large groups, is **RECEPTION-STYLE** service. With this option, our Event Coordinator assists you in selecting appetizers, pizzas or smaller portion items from our menu, which are priced on a per piece basis. Your guests relax and mingle while our staff serves them either directly from trays carried throughout the room or arranged on a display table.

No matter what style of service is most appropriate for your party, dinner gathering or business function, Biaggi's staff is eager to satisfy your needs and make your event memorable.

INDIVIDUALLY PLATED & FAMILY-STYLE OPTIONS

The following menu categories allow you to create a custom dining experience to make your event one of a kind. Any course, or your entire event, can also be served buffet-style. Our Event Coordinator will be happy to guide you through your options. The designated prices are per guest, per selection and do not include beverages, tax or gratuity. Guests age 12 and under are welcome to order from our Kids Menu.
